

xtreme Automatic Blanket Wash Rolls

A complete range of Wash Rolls for perfect cleaning of printing Presses. xtreme Automatic Blanket Wash Rolls, Wet and Dry available in Jumbo Rolls and "ready to use" Mini Rolls. Non-woven wash cloth for the best cleaning performance of blanket ideal for the printers that are looking for a superior quality wash cloth. Polyester fibres (45%) and wood pulp (55%) are combined into a sheet structure by hydro-entanglement, a dynamic needling process using high pressure water jets.

- Excellent capability of wet keeping (water and oil).
- Excellent absorbency and cleaning
- Smooth surface, exceptionally soft, no scratching
- Lint free, no contamination
- Under strict quality control

your business our commitment
